CAT201

# SILICONE FOOT CARE PRODUCTS

- Made of silicone to be durable & hygienical cushion contrary to sponge products.
- Comfort for skin tolerance and insensitive perspiration.
- Preventing pressure and formation of calluses and corns.
- Best cushion and separation for feet to fit into any type of shoes.
- Help to reactivate blood flow.
- Doesn't propagate the growth of bacteria
- Designed to relieve pressure on tired & aching feet, sore knee joints and back pain.
- Recommended to apply on sensitive skin and diabetic.
